

Question: For the Exam Web Page, please choose the best answer for this test

Test ID: 5.C

Test Name: 1.3.1-programmatic-label

Test Condition: The combination of the accessible name, accessible description, and other programmatic associations describes each input field and includes all relevant instructions and cues.

Exam Web Page

- ☐ a. **Fail** - The programmatic labels and associations are insufficient, but the visual labels are sufficiently descriptive.
- ☐ b. **Fail** - The programmatic labels and associations are insufficient, but the form layout is logical.
- ☐ c. **Pass** - The combination of accessible name, accessible description, and other programmatic associations describes each input field and includes all relevant instructions and cues.
- ☒ d. **Does Not Apply** - There are no focusable form elements on the page. 
- ☐ e. **Fail** - The programmatic labels and associations are insufficient.
